- Advanced Tank Cleaning Course (ATCC) - Face-to-Face
- Advanced Training for Oil Tanker Cargo Operations (ATOT) - Face-to-Face
- Ballast Water Management Course (BWM) - Face-to-Face
- Basic Training for Oil and Chemical Tanker Cargo Operations (BTOC) - Face-to-Face
- Bridge Resource Management with Ship Handling and Maneuvering Basic Training Course (BRM-SHM) - Face-to-Face
- Chemical and Product Tanker Simulator Course (CPTS) - Face-to-Face
- Diesel Plant Course for Junior Engineers (DPC2-JE) - Face-to-Face
- Diesel Plant Course for Senior Engineers (DPC2-SE) - Face-to-Face
- Engine Room Simulator with Engine Resource Management Course (ERS with ERM) - Face-to-Face
- Familiarization Training in Mooring Equipment (FTME) - Face-to-Face
- Familiarization Training in Mooring Equipment (FTME-N) - Face-to-Face
- IMO Model Courses 3.12 – Training for Assessors (PJMCC / PAMI Members) - Face-to-Face
- IMO Model Courses 6.09 – Training for Instructors (PJMCC / PAMI Members) - Face-to-Face
- Junior Engineer Training Course (JETC) - Face-to-Face
- Junior Officer Training Course (JOTC) - Face-to-Face
- Main Diesel Engine Overhaul Training Module 1 (MDEOT 1) - Face-to-Face
- Main Diesel Engine Overhaul Training Module 2 (MDEOT 2) - Face-to-Face
- ME Engine Training Course with Simulator (MEETCS) - Face-to-Face
- ME Engine Training Course with Simulator (MEETCS-MK) - Face-to-Face
- Marine Electro-Hydraulics Course (MEH) - Face-to-Face
- Marine Low Voltage Training Course – Operational Level (MLOVO-OL) - Face-to-Face
- Marine High Voltage Training Course – Operational Level (MHIVO-OL) - Face-to-Face
- Marine High Voltage Training Course – Management Level (MHIVO-ML) - Face-to-Face
- Marine Instrumentation and Control Engineering Course (MINTSC) - Face-to-Face
- Marine Refrigeration and Air-Conditioning Course (MRAC) - Face-to-Face
- Maritime Occupational Safety and Health with Practical Shipboard Hazard Identification (MOSHI) - Face-to-Face
- Oil Tanker Cargo and Ballast Handling Simulator Course (OTCB) - Face-to-Face
- Oily Water Separator Course (OWS) - Face-to-Face
- Refresher Course on Advanced Training for Oil Tanker Cargo Operations (ATOT-REF) – Face-to-Face
- Refresher Course on Oil Tanker Cargo and Ballast Handling Simulator Course (OTCB-REF) - Face-to-Face
- Senior Ratings Upgrading - Deck Course (SRUC-D) - Face-to-Face
- Senior Ratings Upgrading - Engine Course (SRUC-E) - Face-to-Face
- Senior Ratings Upgrading - Galley Course (SRUC-G) - Face-to-Face
- Trim and Stability for Bulk Carrier Transporting Solid Bulk and Grain Cargoes Course (TSBC) – Face-to-Face
- Type Specific ECDIS Training for FURUNO (FEA2107/2107 - BB/2807) (TSET-FEA) – Face-to-Face
- Type Specific ECDIS Training for FURUNO (FMD-3100/3200/3300) (TSET-FMD) –

Face-to-Face

- Type Specific ECDIS Training for JRC JAN (701/901/901M & 701B/901B/2000 (TSET-JRC OLD MODEL) – Face-to-Face
- Type Specific ECDIS Training for JRC JAN (7201/9201) (TSET-JRC NEW MODEL) – Face-to-Face
- Type Specific ECDIS Training for Tokyo KEIKI (EC-8100/8600 With EC-8000/8500) (TSET-TK) – Face-to-Face
- Upgrading Training for Oilers and Wipers (UOW) - Face-to-Face
- Wood Chip Carrier Maintenance and Handling Course (WCC) – Face-to-Face

NOTE: Registration to the above mentioned courses are only accepted through PJMCC member manning agents. If you are a seafarer interested to take any of our courses, please contact your Training Manager/Officer and request that you be enrolled to such.

To check if your manning company is a member of PJMCC, click here.
