

The International Mariners Management Association of Japan-Philippine-Japan Manning Consultative Council (IMMAJ-PJMCC) Foundation Inc. conducted a training course for assessors known as IMO Model Course 3.12 from July 18-29, 2016 at JSU-AMOSUP Mariner's Home 1765 Vasquez St. corner Nakpil, Malate, Manila.

The course was attended by 21 participants and aims to train the attendees on applying international provisions concerning the training, assessment, examination and certification of masters, officers and ratings of merchant vessels. This shall also equip the attendees with tools for implementing the provisions under the national law.

This training course shall enable the attendees to analyze national assessment, examination and certification needs to determine appropriate assessment methodologies. As future assessors these trainees shall be able to organize, administer and conduct assessments and examinations. Lastly, trainees who successfully completed the course shall be granted the responsibility and honor to issue and control certificates.
