Dear Friends and Colleagues,

Welcome to the official webpage of the IMMAJ-PJMCC Foundation, Inc.!

The IMMAJ-PJMCC Foundation, Inc. is a non-stock, non-profit organization which seeks to address the education and training requirements of seafarers of our affiliated manning agencies which service the needs of the Japanese-owned or controlled fleet.

This website has been created to help you find information about how to avail of, and qualify for, the free training courses that are available to seafarers of our affiliated manning agencies. It also provides information regarding the cadet programs offered to young seafarers who are aspiring to become marine officers.

We hope to reach out to as many stakeholders in the maritime industry through this website and ensure that we are able to maintain a pool of Filipino seafarers who have the competence, qualification and certification needed to work for the Japanese merchant fleet.

On behalf of the Board of Trustees of the IMMAJ-PJMCC Foundation, Inc., I would like to take this opportunity to welcome you to our site!
