IMO MODEL COUR ASSESSMENT, EXAM AND CERTIFICA OF SEAFARER

About the Course

Graduates of this program will be able to design, administer and control the examination and seafarers; construct and validate test items; and conduct both examination and assessment for practical aspects of the stated STCW competence.

Reasons to Attend the Course

Current regulations require that formal shipboard and shore-based assessment and examination issuance of Certificates of Competence (COC) must be carried out by duly qualified assessors. Course 3.12 Certificate of Completion issued jointly by MARINA and the IMMAJ-PJMCC Foundation for the issuance of MARINA accreditation as Assessor under the STCW Convention.
